County Superintendent of
Education
No. 151 (February 15, 22, and 29, 2012)

RESOLUTION OF THE BOARD OF EDUCATION OF THE YAZOO COUNTY SCHOOL DISTRICT DECLARING THE NECESSITY FOR AND ITS INTENTION OF BORROWING MONEY AND THE ISSUANCE OF NOTES THEREFOR, SOME OR ALL OF WHICH MAY BE ISSUED AS QUALIFIED SCHOOL CONSTRUCTION BONDS, FOR THE PURPOSE OF PAYING THE COSTS DESCRIBED HEREIN; ORDERING SAID RESOLUTION TO BE PUBLISHED; AND SETTING THE DATE UPON WHICH THE BOARD OF EDUCATION IS TO TAKE FINAL ACTION UPON THE QUESTION OF AUTHORIZING THE BORROWING OF SAID MONEY.
WHEREAS, the Board of Education of the Yazoo County School District, Yazoo County, Mississippi (the "Board"), acting for and on behalf of the Yazoo County School District (the "District"), does hereby find, determine, adjudicate and declare:
1. It is necessary and desirable that a maximum of Two Million Six Hundred Thousand and No/100 Dollars ($2,600,000.00) be borrowed for the purposes of making repairs, alterations and additions to school buildings of the District, for the purpose of erecting school buildings and other buildings used for school purposes, for the purpose of purchasing heating plants, air conditioning, fixtures and equipment for such buildings, for the purpose of purchasing land for

school purposes, school buses and transportation equipment, and for the purpose of improving and equipping such lands for school recreational and athletic purposes, and paying the costs of such borrowing (the "Project");
2. No funds are available in the school funds of the District or from any other source with which to pay the costs of the Project;
3. It would be in the best interests and to the advantage of the District that the funds needed for the Project be obtained by the issuance of notes of the District in the maximum principal amount of Two Million Six Hundred Thousand and No/100 Dollars ($2,600,000.00) (the "Notes") in the manner and form provided by Section 37-59-101, et. seq., of the Mississippi Code of 1972, as amended (the "Act") and, if applicable, pursuant to the qualified school construction bond provisions of the American Recovery and Reinvestment Act of 2009 and the regulations promulgated thereunder;
4. An annual levy of a special tax which shall not exceed three (3) mills on the dollar of assessed value of taxable property within the District shall be sufficient to pay the principal and interest (if any) on the Notes to be issued hereunder and all other notes issued and outstanding under the Act, as the same shall respectively mature and accrue. Some or all of the Notes may be issued as qualified school construction bonds pursuant to the American Recovery and Reinvestment Act of 2009 and the regulations promulgated thereunder;
5. Under the provisions of Section 37-59-115 of the Mississippi Code of 1972, as amended, the limitation of Section 37-59-5 of the Mississippi Code of 1972, as amended, on the indebtedness which may be incurred by school districts is not applicable to the proposed issuance of the Notes;
6. The purpose for which the proposed Notes are to be issued as herein set forth in this resolution are purposes authorized by the laws of the State of Mississippi, and particularly in Section 37-59-101, et. seq., of the Mississippi Code of 1972, as amended, and that said Board is authorized and required to declare the necessity and its intention of borrowing money and issuing the Notes of the District as evidence of the same.
7. Pending the completion of the Project plans and specifications and the issuance of the Notes, the District needs to pay certain expenses incurred in connection with the performance of the Project, with such expenditures to be reimbursed from the proceeds of the Notes, when issued.
NOW, THEREFORE, BE IT RESOLVED, by the Board of Education of the Yazoo County School District, as follows:
Section 1. The Board does hereby find, determine and adjudicate that the foregoing premises are true and correct.
Section 2. The Board does hereby declare that it is necessary to borrow an amount not exceeding Two Million Six Hundred Thousand and No/100 Dollars ($2,600,000.00) for the purpose of paying the costs of the Project, previously described herein, all at a total cost approximately equal to the principal amount of the Notes to be issued hereunder.
Section 3. The Board does hereby further declare that no funds are available in the school funds of the District or from any other source with which to pay the costs of the Project, and that it is necessary that the costs thereof be borrowed in the manner and form provided by Section 37-59-101, et. seq., of the Mississippi Code of 1972, as amended, and the American Recovery and Reinvestment Act of 2009 and the regulations promulgated thereunder, if applicable.
Section 4. The Board hereby declares its intention to borrow such money and to issue the Notes as evidence of the same. The Notes shall bear interest (if any) at a rate to be specified by further resolution of the Board, but shall not exceed a greater overall maximum interest rate to

maturity than the rates now or hereafter authorized under the provisions of Section 19-9-19 of the Mississippi Code of 1972, as amended. The Notes shall not be sold for less than par and accrued interest. The Notes shall be dated their date of delivery, or such later date as the Board may specify, and shall mature over a period not to exceed twenty (20) years.
Section 5. That unless a petition signed by 20% of the qualified electors of said District, requesting that an election be called on the question of incurring said indebtedness, is filed prior to 6:00 p.m. on March 6, 2012, in the Board of Supervisor's Board Room of the District located at 211 East Broadway Street, Yazoo City, Mississippi, final approval of the borrowing of said money and authority for the issuance of said Notes shall be given by the Board at a meeting held on such date and hour at the aforesaid address.
Section 6. The Secretary of the Board be and is hereby authorized and directed to cause this Resolution, as adopted, to be published in The Yazoo Herald, a newspaper of general circulation in the District and qualified under the provisions of Section 13-3-31 of the Mississippi Code of 1972, as amended. Said Resolution shall be published once a week for two consecutive weeks, with the first publication thereof to be made not less than 15 days prior to March 6, 2012, on which date the Board will take final action on the question of authorizing the borrowing of said money.
Section 7. The District shall use funds currently available in its District Maintenance Fund to pay certain initial costs of the acquisition and construction of the Project, as subsequently identified by the Board, with such expenditures to be reimbursed from a portion of the proceeds of the Notes, when issued. The allocation of the Note proceeds to reimburse the District Maintenance Fund shall be made in writing not later than 18 months after the later of: (a) the date the original expenditure is paid or (b) the date the Project is placed in service or abandoned, but in no event more than three years after the original expenditure is paid. The expenditures to be reimbursed from the Note proceeds shall be incurred solely to acquire, renovate, construct, or improve property having a reasonably expected economic life of at least one year and to pay the cost of such acquisition, construction and improvements. The Note proceeds shall be used to reimburse these expenditures, and not for the reimbursement of operating costs or similar working capital items. This resolution is the official action of the Board adopted as required by regulations promulgated by the Internal Revenue Service governing the reimbursement of prior expenses from note proceeds.
Section 8. That all orders, resolutions or proceedings of the Board in conflict with the provisions of this Resolution shall be and the same are hereby repealed.
Having received a majority of the affirmative votes of the Board, the Resolution passed on February 9, 2012.
