No. 319 (July 11 and 18, 2012)
The Board of Supervisors, acting for and on behalf of Yazoo County, Mississippi (the “County”), took up for consideration the matter of issuing general obligation bonds of the County in the principal amount not to exceed Two Million Five Hundred Thousand Dollars ($2,500,000) for the purpose of providing funds to pay for the cost of (i) constructing, reconstructing, and repairing roads, highways and bridges, and acquiring the necessary land, including land for road building materials, acquiring rights-of-way therefor; and the purchase of heavy construction equipment and accessories thereto reasonably required to construct, repair and renovate roads, highways and bridges and approaches thereto within the County; (ii) paying the costs of issuing the

bonds; and (iii) other related improvements within the County.
Thereupon, Supervisor Willie Wright offered and moved the adoption of the following resolution (the “Resolution”):
RESOLUTION DECLARING THE INTENTION OF THE BOARD OF SUPERVISORS OF YAZOO COUNTY, MISSISSIPPI TO ISSUE GENERAL OBLIGATION BONDS FOR THE PURPOSE OF PROVIDING FUNDS TO PAY FOR THE COST OF (I) CONSTRUCTING, RECONSTRUCTING, AND REPAIRING ROADS, HIGHWAYS AND BRIDGES, AND ACQUIRING THE NECESSARY LAND, INCLUDING LAND FOR ROAD BUILDING MATERIALS, ACQUIRING RIGHTS-OF-WAY THEREFOR; AND THE PURCHASE OF HEAVY CONSTRUCTION EQUIPMENT AND ACCESSORIES THERETO REASONABLY REQUIRED TO CONSTRUCT, REPAIR AND RENOVATE ROADS, HIGHWAYS AND BRIDGES AND APPROACHES THERETO WITHIN THE COUNTY; (II) PAYING THE COSTS OF ISSUING THE BONDS; AND (III) OTHER RELATED IMPROVEMENTS WITHIN THE COUNTY.
WHEREAS, the Board of Supervisors of Yazoo County, Mississippi (the “Governing Body” of the “County”), does hereby find, determine, adjudicate, and declare as follows:
1. The County is authorized by Sections 19-9-1 et seq., Mississippi Code of 1972, as amended (the “Code”), to issue general obligation bonds for the purpose of providing funds to pay for the cost of (i) constructing, reconstructing, and repairing roads, highways and bridges, and acquiring the necessary land, including land for road building materials, acquiring rights-of-way therefor; and the purchase of heavy construction equipment and accessories thereto reasonably required to construct, repair and renovate roads, highways and bridges and approaches thereto within the County; (ii) paying the costs of issuing the bonds; and (iii) other related improvements within the County (the “Project”).
2. It is now necessary and in the public interest for the County to issue general obligation bonds in a principal amount not to exceed Two Million Five Hundred Thousand Dollars ($2,500,000) (the “Bonds”) to provide funds to pay for the cost of the Project.
3. The assessed valuation of all taxable property within the County as of March, 2012, according to the last completed assessment for taxation, is the sum of One Hundred Fifty-four Million Two Hundred Sixty-seven Thousand Seven Hundred Ninety-nine Dollars ($154,267,799). The total amount of general obligation bonds that may be issued for any purpose is generally limited, in the aggregate, to twenty percent (20%) of the assessed value of the County, and approximately Two Million Five Hundred Thousand Dollars ($2,500,000) of the aggregate amount will be expended for purposes that are subject to this 20% limitation. For purposes of the 20% limitation, the County has Five Million One Hundred Ten Thousand Four Hundred Seventy-five Dollars ($5,110,475) principal amount of general obligation bonds outstanding. Approximately Two Million Five Hundred Thousand Dollars ($2,500,000) of the aggregate amount of bonds issued for the proposed purposes herein are subject to a limitation of fifteen percent (15%) of the assessed value of the County. For purposes of the 15% limitation, the County has Five Million One Hundred Ten Thousand Four Hundred Seventy-five Dollars ($5,110,475) principal amount of general obligation bonds outstanding. Accordingly, the issuance of the Bonds for these purposes will not exceed any debt limitation prescribed by law, including the limitations imposed by Section 19-9-5 of the Code.
NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE COUNTY AS FOLLOWS:
SECTION 1. The Governing Body of the County does hereby declare its intention to issue the Bonds of the County in the principal amount not to exceed Two Million Five Hundred Thousand

Dollars ($2,500,000) to be used for the purpose of providing funds to pay for the cost of (i) constructing, reconstructing, and repairing roads, highways and bridges, and acquiring the necessary land, including land for road building materials, acquiring rights-of-way therefor; and the purchase of heavy construction equipment and accessories thereto reasonably required to construct, repair and renovate roads, highways and bridges and approaches thereto within the County; (ii) paying the costs of issuing the bonds; and (iii) other related improvements within the County.

SECTION 2. The Bonds will be general obligations and will be secured by a special tax levied annually on all taxable property within the County in an amount which will be sufficient to pay the principal and interest on the Bonds as each becomes due and payable.

SECTION 3. The Governing Body reasonably expects that a portion of the cost of the Project in the maximum amount set forth above will be reimbursed from the proceeds of the Bonds. This Resolution is being adopted as required by and in order to comply with the “Reimbursement Rules” set forth in the Internal Revenue Code of 1986 and the rules and regulations promulgated thereunder including specifically Internal Revenue Code Regulation 1.150-2 and appearing at 58 Federal Register 33510 and with the laws of the State of Mississippi. The Governing Body reasonably expects to make the reimbursement allocation from the proceeds of the Bonds to the respective fund or accounts of the County from which the capital expenditures have been made no later than eighteen (18) months after the later of the date of the expenditure or the date that the Project is placed in service, but in no event more than three (3) years after the date of the first expenditure.

SECTION 4. The Governing Body proposes to direct the issuance of all or any portion of the Bonds in the amount and for the aforesaid purposes at a meeting of the Governing Body to be held at its regular meeting place at the Chancery Building in Yazoo City, Mississippi, at ten o’clock (10:00 a.m.) on Monday, the 6th day of August, 2012, or at some meeting held subsequent thereto. If twenty percent (20%) or fifteen hundred (1,500), whichever is less, of the qualified electors in the County shall file a written protest with the Clerk of the County against the issuance of the Bonds on or before the aforesaid date and hour, then the Bonds shall not be issued unless authorized at an election on the question of the issuance of the Bonds. Such election shall be called and held as provided by law. If no protest is filed, then the Bonds may be issued without an election on the question of the issuance thereof at any time within a period of two (2) years after the date above specified.

SECTION 5. This Resolution shall be published once a week for at least three (3) consecutive weeks in The Yazoo Herald, a newspaper having a general circulation in the County and qualified under the provisions of Section 13-3-31 of the Code. The first publication of this Resolution shall be made not less than twenty-one (21) days prior to August 6, 2012, and the last publication shall be made not more than seven (7) days prior to such date, said Resolution to be published on or about July 11, July 18, July 25, and August 1, 2012.
